

Unity 3D Download instruction

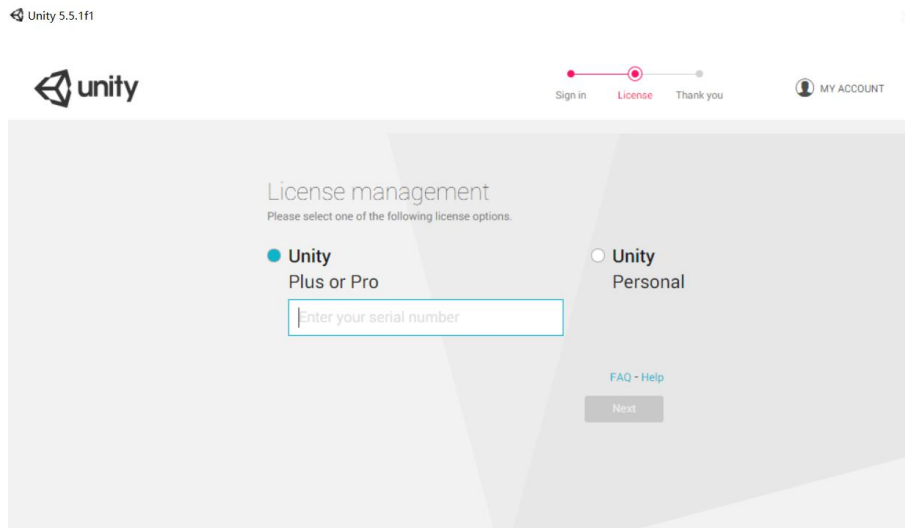

1. Go to <https://unity3d.com/> and click “Get Unity Now”
2. Select the Personal Version(Free) to download the installer.
3. Click the installer and it will show the dialog like below, and follow the process to finish the installation:

4. After installation, open the “Unity 3D”, the interface is like:

5. Register an account if you do not have, it is free and then sign in the Unity 3D
6. After signing in, you will see the interface below:

7. Choose the “Unity Plus or Pro”, and type in the serial number that professor Xiao gave to you, then you can click “Next” to start to use the Unity 3D

8. Or if you do not have the serial number, then just directly choose “Unity Personal”, and click “Next” like the below picture, then you can also start to use the Unity 3D for free(Personal version).
